*n.b. The errors and associated corrections described in this document concerning the original manuscript were accountable to the production department handling this manuscript, and thus are no fault of the authors of this paper. Additionally, the online manuscript has now been updated with these corrections accordingly.*

In the original publication of this article [1], Figure 2 and Figure 3 were inadvertently swapped. The figures can be found below with the correct legends. The original publication [1] has also been updated to reflect these changes (Figs. 2, 3).

**Fig. 2** Dipnet fishing. The Kenai River dipnet fishery is a popular annual event that draws thousands of local Alaskans

**Fig. 3** Clam digging. Families dig for clams on Ninilchik Beach, Alaska
